(Intro/Chorus)

**I and I a Rasta children
I and I a Rasta children
We come from Zion
We come from Zion
Living down here in Babylon
Enduring the strife and tribulation**

**I and I no check for vanity
I and I a deal with humanity
Enduring the strives and tribulation
With Jah, guidance and protection
To lead the children out of Babylon
To the promised land, Mount Zion
Mount Zion! Mount Zion!**

PLAYING FOR CHANGE

(Verse)

Zion high is the place for I
For I and I to dwell
Fire, fire, fire I go burn Babylon
For this is a living hell

So gather the babe and suckling
To reach to the promised land, yeah
Far, far away, far, far away.
Far, far away, far, far away...

Living down here in Babylon
Enduring the strives and tribulation
For I and I no check for vanity
And I and I a deal with humanity

Enduring the strives and tribulation
With Jah, guidance and protection
To lead the children out of Babylon
To the promised land, Mount Zion
Mount Zion, yeah, Mount Zion

Zion high is the place for I
For I and I to dwell
Fire, fire, fire I go burn Babylon
For this is a living hell

So gather your babe and suckling
To reach for the promised land
Far, far away, far, far away.
Far, far away, far, far away...
